Sir,

The Government has been pleased to grant the use of the General and Maternity Hospitals at Mangalore for the clinical course of the Kasturba Medical College, Manipal and therefore the clinical course of the Medical College will have to be conducted at Mangalore itself and the College buildings will have to be necessarily located close to the two Hospitals.

It is learnt that about 5 acres of vacant land in T.S. Nos.291/1 and 291/2A of Attavar village, Mangalore Taluk, forming a part of the corner of the Central Maidan, west to the Taluk Office at Mangalore, is available for the purpose if the Government pleases to alienate the same. It is also learnt that the Mangalore Municipality has got alienated in its favour about 1½ acres of land out of this plot and that the Municipality is willing to have this alienation cancelled if another piece of land measuring about 2 acres of land in the Police Hockey ground is alienated to it as a substitute for constructing the Town Hall and the Municipal Offices and that the papers are pending with the Government on this subject.

The land in question that is required by the Medical College is very close to the two Hospitals and is most conveniently situated for locating the College buildings and alienation of the same to the Kasturba Medical College Trust, Manipal, will serve the great educational purpose and will not cause any annoyance to any person or institution as the land is lying vacant at present and uncared for. The Medical College buildings at such a place will be a source of beauty for that portion of the City and the playground at the Central Maidan will not be interfered with in any manner.

We, therefore, request you to kindly direct alienation of the said 5 acres of land in T.S.No.291/1 and 291/2A of Attavar village of Mangalore Taluk in South Kanara District, in favour of the Kasturba Medical College Trust for the purpose of construction of the College buildings.

Yours faithfully,

The Government has been pleased to grant the use of the General and Maternity Hospitals at Mangalore in South Kanara District for the clinical course of the Kasturba Medical College, Manipal and therefore, the clinical course of the Medical College will have to be conducted at Mangalore itself and the College buildings will have to be necessarily located very close to the 2 Hospitals.

We learn that there is Government land now temporarily used by the B.T. College and the Police Hockey ground in Attavar Village near the Taluk Office compound at Mangalore which is about 4 acres in extent. If this land is alienated and made available to the Medical College for putting up the College buildings, it will be very useful and convenient as the said lands are very close to the 2 Hospitals and are most conveniently situated for locating the College buildings. The alienation of the said lands in favour of the Kasturba Medical College Trust, Manipal, will serve great educational purpose and will not cause any annoyance to any person or Institution. The Medical College buildings at such a place in the heart of Mangalore town very near the Government Hospitals will be a source of beauty for that portion of the City.

We, therefore, request you kindly to direct alienation of the present B.T. College and Police Hockey grounds of Attavar Village of Mangalore Taluk in South Kanara District in favour of the Kasturba Medical College Trust for the purpose of construction of the College buildings.

Yours faithfully,

Sir,

The Academy of General Education, Manipal, has obtained affiliation for the Kasturba Medical College from the Karnatak University and the Kasturba Medical College has been opened on 30-6-1953 at Manipal where the Anatomy Block of buildings has been constructed on land gifted to the Trust by Dr. T.M.A.Pai. For the purpose of constructing a hostel for about 400 students and for the quarters of the professors and the staff numbering about 60 and for playgrounds, the adjacent government land in Shivalli village of Udipi Taluk, about 37 acres in extent, has already been applied for. For the purpose of constructing hospitals, nurses' quarters and the staff quarters etc., land measuring about 66 acres in extent has been applied for at Ajjarkad in Moodanidambur and Kadekar villages of Udipi Taluk.

The College course lasts for 4½ years out of which pre-clinical course lasts for 1½ years which will be conducted at Manipal and the remaining 3 years will be devoted to the clinical course which will be conducted at Mangalore, utilising the use of the big size the General and Maternity Hospitals at Mangalore, so generously permitted by the Government of Madras.

The clinical course which will commence at Mangalore 1½ years from now will require a hostel for about 400 students and quarters for professors and the staff. About 20 acres of land necessary for the above purposes are conveniently available in T.S.Nos.1554/5A 1554/2 and 3 of Kodialbail A village of Mangalore Taluk on the northern side of Sri Ramakrishna Vidyarthini Bhavan and popularly known as Police Rifle Range in Mangalore Town. The said land is now wholly vacant and its alienation to the Kasturba Medical College Trust will enable it not merely to utilise the same for a great educational institution but will also beautify that portion of the city of Mangalore.

We request you, therefore, to kindly direct the alienation of the aforesaid 20 acres of land in T.S.No.1554/5A and 1554/2 & 3 of Kodialbail A village of Mangalore Taluk to the Kasturba Medical College Trust, Manipal, for the purpose of putting up buildings for the hostel and quarters to the professors and the staff.

Further to our letter of 23rd July 1953, requesting for alienation of land now temporarily used by the B.T. College and the Police Hockey ground in Attavar Village near the Taluk Office compound at Mangalore, it appears that there is a request from the Municipality for the alienation of this land for the construction of some buildings, and we understand that their request was not conceded.

Under the circumstances, we have to inform you that the alienation of the said land in favour of the Kasturba Medical College may be expedited as the College is going to put up a building on the plot at a cost of Rs.4 lakhs and this may add to the beauty of the whole locality. The need for this plot is imperative and there are no vacant lands suitable near the hospital where the college is going to have clinical facilities provided. The building construction has to be taken up and completed within a period of 18 months from now and may I request you, therefore, to see that the matters are expedited.

Yours faithfully,

Ref: Government memo No.40391/Q/53-2 dt.6.8.53 and 21.9.53.

In his letters dated Nil and 23.7.1953 Dr.T.M.A.Pai Registrar, Kasturba Medical College Trust, Udipi requests that the plots comprised in T.S.Nos.291/1 and 291/2A of Attavar village in Mangalore town, the premises in which Government Training College is situated at present and also the Police Hockey ground which adjoins the B.T.College site be placed at the disposal of Kasturba Medical Trust for the purpose of constructing a Medical College building at Mangalore. The land comprised in T.S.No.291/1 and 291/2A of Attavar village form the Central Maidan which is in the heart of the town and used as a Public Recreation ground. Of them S.No.291/1 has been placed at the disposal of the Municipal council Mangalore in G.O. Ms.No.2166 Revenue dated 27.7.53 for use as the site of a Public Park and recreation ground. The plot T.S.No.291/2A contains a Radio Pavilion and a sports Pavilion put up by the Mangalore Municipality with open space in front of them used as recreation ground as cricket ground respectively. The Mangalore Municipality when consulted on the request of Dr.T.M.A.Pai for placing portions of these plots at the disposal of the Kasturba Medical College Authorities has

strongly objected to the proposal. A copy of the resolution No.1444 dated 26.9.1953 passed by the Mangalore Municipal council in this connection is enclosed. The Municipal council considers that the alienation of any portion of the maidan to any institution or person to put up buildings is not desirable and it strongly opposes such a proposal in view of the fact that it is the only lung of the town and there is a layout approved by the Director of Town planning for the entire maidan which the council is going to implement and for which the council has already sanctioned neces ary funds. I agree with the view expressed by the council, T.S.No.291/1 and 291/2A are therefore not available for being placed at the disposal of the Kasturba Medical College Authorities for the purpose of college buildings.

2. Re arding the site occupied by the Government Training College, Mangalore, the Principal of the college has informed me that the premises cannot be made available to any one before the Government builds other suitable buildings for the college. This site too is not available at present for being placed at the disposal of the Kasturba Medical College Trust.

3. The remaining plot referred to in the petition is T.S.No.280/1A1A3 of Attavar village. In G.O.Ms.No.525 Rev. dt.3.3.51 the Government sanctinned the transfer of this plot (measuring 2.59 acres) to the Police Department for the construct on of Police lines and quarters for officers. In a portion of this plot the police department has constructed some buildings. Further construction of the buildings has been stopped pending final orders of the Government on this office letter Ref.C.No.22819/52-B3 dated 26.10.52 which was submitted to the Board of Revenue soon after the plot was inspected by Sri V.E. Sathianathan I.C.S., Commissioner of Settlement of Estates in the month of September 1952. The plot cannot be considered as available for being placed at the disposal of the Kasturb

ASSISTANT SECRETARY 6920 4-DEC 1953 EDUCATION DEPARTMENT

The Registrar of the Kasturaba Medical College Trust, Manipal in his letter dated 15.7.53 requested to place the land T.S.No.1554/5A and 1554/2 and 3 of Kodialbail A village of Mangalore taluk at its disposal for the purpose of putting up buildings for the hostel and quarters to the professors and staff.

2. T.S.No.1554/3 of Kodiabbail A village is the patta land of one Srimathi Presilla J.Castellino. The Principal of the Government Arts College, Mangalore had sent an application to the Director of Public Instruction, Madras with a proposal to place the plots S.Nos.1554/2 measuring 10.18 acres and 1554/5A measuring 7.53 acres of Kodialbail village at the disposal of the Arts College for construction of additional buildings and providing playgrounds etc. It is now learned from the ~~free~~ Principal of the College that the Government have deferred the proposal.

3. The Principal of the Government Training College when consulted says that the question of constructing a permanent building for the Government Training College is under the consideration of the Government and that the plot

T.S.No.1554/2 may be reserved for his institution pending decision of the Government. He also adds that the Director of Public Instruction Madras had inspected this site for the purpose in November 1952. Hence the Registrar The Kasturba Medical College Trust, was informed in this office D.Dis.17219/53 dated 8.11.53 that S.Nos.1554/3 is a patta land and that S.Nos.1554/2 and 5A of Kodialbail village are not available for being placed at the disposal of the Trust.

C.R.No.1444 - dated 26-9-53.

The Council strongly opposes the alienation of any portion of the Maidan to any institution or person to put up buildings for any purpose whatever in view of the fact that it is the only lung of the town and there is a layout approved by the Director of Town Planning for the entire maidan which the council is implementing and as the council has already resolved to put up a park at the site in question and has addressed the Collector in the matter and has also sanctioned necessary funds for the same. The council objects to the request for alienation of the land made by the Town Hall, Trust and the Kasturba Medical College as the council is of the firm opinion that no building should be built up in the maidan and the open space reduced.

The lands referred to in my report cited(1) above not been resumed by Government yet. The Mangalore Municipal council has come forward for the grant of these lands with a lay out plan approved by the Director of Town Planning, Madras with proposals to make use of the land for providing 627 house sites, for a school play ground, park, reading room etc. There is acute scarcity of houses in Mangalore town and with a view to relieve the congestion in this town, the Mangalore Municipal Council has taken up the above proposal and it is willing to make provision for housing the Government and Municipal servants. I am expiring the question of grant of the land for housing scheme in favour of the Mangalore Municipal council. It is, not therefore likely that the Kasturba Medical College, Madras would get the land as the land is required by the Municipality for a more important object connected with the development of Mangalore Town.

Subject:- LAND - South Kanara - T.S.No.280/1A 1A 3 in Attavar village of Mangalore town - Transfer to Police Department for construction of quarters - Objection.

...

Reference:- From the Board of Revenue No.BP.Rt. 5489, dated 13/9/1950 addressed to the Revenue Department.

In G.O. Ms. No. 525, Revenue, dated 3/3/1951, the Government sanctioned the transfer to the Police Department of the land in T.S. No.280/1A 1A 3 of Attavar village in Mangalore town for the construction of Police Lines and quarters for officers. Immediately afterwards by a resolution dated 17/3/51 the Mangalore municipality objected to the transfer of the site to the Police Department. The then M.L.As., Sri.K.A. Karanth and Sri.Mallya supported this objection. The case was examined in the light of the objections raised but the Government decided that the order transferring the land to the Police Department ~~xhx~~ should stand - vide Memo.No.5099-Pol.III/51-5,Home, dated 18/6/51 (copy enclosed). After the commencement of the construction of the Police quarters, the Chairman and the Vice Chairman of the Mangalore Municipal Council made a representation to Government objecting to the construction of the quarters for the Police on the site, on the grounds that by the construction of such quarters, the beauty of the entire locality would be ruined and that the quarters would also be a source of nuisance to the students of the B.E. college. They ~~requested~~ that the ~~construction of the quarters might be stopped forthwith~~ and the status quo maintained. These objections were again examined in consultation with the I.G. of Police and the Chief Engineer P.W.D.(Buildings). So far two blocks of eleven quarters each have been constructed and further work has been ordered to be ~~xkxpxxdx~~ suspended. Before taking a final decision in the matter, the Government consider that the site in question should personally inspected by a Member of the Board of Revenue, when

he goes on tour to Mangalore in the near future so that he may assess fairly the points in dispute after a local inspection. effect a compromise, and recommend a solution to Govt. in consultation with such local authorities as he may consider necessary. ~~and recommend a solution to Government~~. The Board is requested to see that the report of the Board Member reaches the Government as urgently as possible.

M.(H.)".

In Govt. letter (Ms.) No. 3048 Health, dated 25/9/52, Dr. T.M.A. Pai, Registrar, Academy of General Education, Udipi, was informed inter alia that the Govt. would be prepared to alienate the Govt. vacant lands in Udipi in favour of the Kasturba Medical College, Udipi, South Kanara Dt. The Academy has already applied to the Collector of South Kanara for about 37 acres of lands in Shivalli village of Udipi Taluk in South Kanara Dt. The report of the Collector in the matter is awaited. The Registrar of the Academy (who is also the Registrar of the College) has now requested that the following lands also may be placed at the disposal of the College:-

(1) 5 acres of land in T.S.No.291/1 and 292A of Attavar village of Mangalore Taluk of S.K.Dt.-- for construction of College buildings (for clinical courses for the students of the College which the Govt. have permitted to be conducted by making use of the two Govt. Hospitals at Mangalore and also the Govt. Hospital at Udipi).

(2) Present B.T. College and Police Hockey grounds of Attavar village of Mangalore Taluk in South Kanara District (about 4 acres in extent) -- for the same purpose as at item (1) above.

(3) 20 acres of land in T.S. No.1554/5A and 1554 2,& 3 of Kodialbail A village of Mangalore taluk, for construction of hostels for students and quarters for the staff.

2. It is submitted that the Govt. have agreed to place at th. disposal of the College authorities land at Udipi only. ~~xxxxxxxxxxx~~ The question of the College having two sets of buildings - one at Udipi for non-clinical courses and the other at Mangalore for clinical courses, has not been ~~taken up with~~ considered so far the Govt. ~~refers~~ It is however presumed that there will be no objection to considering the present requests on their own merits. In this view, a draft memo. to the Collector of South Kanara is submitted below for approval. Home, L.A., Edn., and Rev., may see for remarks, if any, before issue.

Please see the note of Health Dept. from XX on p.6 above.

The Board of Revenue has recommended that the remaining vacant land in T.S.No. 280/IAT A3 (Police Hockey ground) Attawar village, Mangalore may be reserved for the construction of public buildings which will harmonise with the importance and surroundings of the locality. The P.W.D. have noted that the Health and Edn., Depts., have to consider this suggestion. Health(H 2)Dept. have taken necessary extract from the L.F. and they are considering the recommendation of the Board, referred to above. Therefore no action is called for in this Dept. with reference to the minute of M (Health) at p.6 ante. The file may be returned to Health.

~~The following lands have been requested~~

The Registrar, Kasturba Medical College Trust, Udipi, has requested that the following lands may be placed at the disposal of the Trust for the purposes mentioned on p.1 ante :—

(1) The plots comprised in T.S. Nos. 291/1 and 291/2A of Attavar village in Mangalore town; — p.1 c.f.

(2) The land on which temporary premises for the Training College have been put up at present; — p.3 c.f.

(3) The Police Hockey ground adjoining the above College; and — -do-

(4) The land T.S. No. 1554/5A and 1554/2 and 3 of Kodialbail A village of Mangalore taluk. — p.5 c.f.

The remarks of the Collector of South Kanara and the Board of Rev. in the matter are on pp. 13—17, 21—23 and 29 c.f.

2. Please see in this connection the sketch on p.8 of G.O. No. 2166 Rev., dated 27/7/53. (A) It would appear that items (1) to (3) in para 1 above, being adjacent to each other, may be considered together. In 1907, the land bearing R.S. No. 291 (measuring 24.81 acres of Attavara village, in Mangalore town) was transferred to the Control of the Municipal Council, Mangalore on the conditions referred to in para 2 on pp. 2—3 N.F. of G.O. No. 2518 Rev., dated 9/9/52. Subsequently the land was sub-divided into T.S. Nos. 291/1, 291/2A and 291/2B. T.S. No. 291/2B was transferred to the Indian Meteorological department for the construction of a rain-gauge. In 1938, the Govt. sanctioned the alienation of S. No. 291/1 (extent 1.47 acres) to the Municipal Council, Mangalore, for the construction of a town hall. The Municipal Council has not so far constructed the town hall. The notes on pp. 3—7 N.F. of (P) may be perused in this connection. In the circumstances stated therein, the Govt., in Memo. No. 7425-E/52-3, Rev., dated 11—12 c.f. this

dated 17/4/52, ratified the action of the Mangalore Municipal Council, in having constructed (without sanction) a cricket pavilion and a latrine in T.S. No. 291/2A referred to above. They also directed, in G.O. (Ms.) No. 2518 Rev., dated 9/9/52, that the land bearing T.S. No. 291/1 mentioned above, be resumed and re-alienated in favour of the Municipal Council for use as the site of a public park and recreation ground. The proposals of the Board of Rev. in this behalf have also been received subsequently and formal orders in the matter have been issued in G.O. (Ms.) No. 2166, Rev., dated 27/7/53. The Collector now reports that the Mangalore Municipality has strongly objected to the request of the Kasturba Medical College Trust for the plots in T.S. No. 291/1 and 291/2A. Please see the resolution of the Mangalore Municipal Council on p. 47 c. One of the reasons adduced by the Council in support of its contention is that there is a layout approved by the D.T.P. for the entire maidan which the Council is implementing. It is submitted that the layout now approved can be modified by the D.T.P. himself in future, with the concurrence of the Municipality. ~~It need not therefore be taken as final.~~ As regards the other reasons put forward by the Municipality, attention is invited to 'A' on p. 1 c. of. The Collector however is of the opinion that T.S. Nos. 291/1 and 291/2A are not available for being placed at the disposal of the Kasturba Medical College authorities. The Board agrees with the Collector.

2. The Collector also reports that the site occupied by the Govt. Training College too is not available for the purpose in question. In this connection, it is submitted that the question of finding an alternative site for this College is separately under consideration. But even if an alternative site were is available, it would not be possible to construct the necessary buildings in the near future, in the present financial stringency.

3. Regarding the third plot required by the

Kasturba Medical College, viz., T.S. No. 280/1A1A3 (the Police Hockey ground), it is submitted that in 1951, the Govt. sanctioned the transfer of this plot to the Police Dept. for the construction of Police lines and quarters for officers. Till the middle of 1952, two blocks of eleven quarters each had been constructed, but further work was ordered to be suspended as there were objections to the construction of more quarters at the above site. In Memo. No. 11865 T. Pol.-III/51-15, dated 9/6/52, the Govt. in the Home Dept. directed that the site in question should personally be visited by a Member of the Board of Rev., when he went on tour to Mangalore so that he might assess fairly the points in dispute after a local inspection, effect a compromise and recommend a solution to Govt., in consultation with such local authorities as he might consider necessary. Accordingly, Sri. W.R.S. Sathianathan inspected the site in September 1952 and submitted a report. This report has been received in Home and dealt with by them in consultation with the Govts. of the Secretariat concerned. The Collector states that he submitted proposals in the matter in 1952 and that final orders have not been received by him so far in the matter. The Board Member made certain recommendations in respect of disputed site in T.S. No. 280/1A1A3 and proposed that the remaining vacant land in that T.S. No. might be reserved for the construction of public buildings which would harmonise with the important surroundings of the locality. The Registrar of the Kasturba Medical College Trust argues that the Medical College buildings at such a place in the heart of Mangalore town very near the Govt. Hospitals would be a source of beauty for that portion of the City.

4. As regards the last plot required

by the College, i.e., T.S. Nos. 1554/5A and 1554/2 in 3.05 Kodialbail Village of Mangalore Taluk, the Collector himself has negatived the request as the College addressed the Collector (and not the Govt.) in the matter. At the suggestion of the Board Member mentioned in para 3 above, the question of shifting the Govt. Arts College, Mangalore to the above site and handing over the vacant College buildings to the Medical Dept. for the Lady Goschen Hospital was considered but it had to be dropped as it is not possible to construct new buildings for the Arts College at present.

5. The case may be submitted to Rev. Dept., Mang' the Home Dept., for ~~taking~~ taking necessary further action in the matter. Rev. may also be requested to circulate the case to M. (H.) at his view & his minutes on pp. 1, 6 and 11 ante.

and recreation ground. The land in T.S.No 291/2A contains a Radio Pavilion and a Sports Pavilion put up by the Mangalore Municipality with open space in front of them used as Recreation ground and Cricket ground respectively. The Municipal Council has objected to the allotment of any portions of the lands in T.S.Nos 291/1 and 291/2A to the College. The Collector and the Bdg Rov are also not in favour of placing the lands at the disposal of the Kasturba Medical College authorities. This department may accept their views.

3. The Collector has stated that the land occupied by the Govt Training College is not available for being placed at the disposal of Kasturba Medical College. H.E.L.A. have agreed with the Collector's view.

4. The Board Member who inspected the sites in T.S.Nos 285/1A and 280/1A1A3 recommended (1) that the two police lines consisting of 22 huts already constructed in T.S.No 280/1A1A3 should not be allowed to be retained by the Police Deptt, (2) that the remaining vacant lands in that S.No should be reserved for the construction of public buildings which will harmonise with the importance of the surroundings of the locality and (3) that the police Deptt might be allowed to construct Police lines on certain lands among others in S.No 285/1A. In G.O No 4610 P.W dated 11-12-53 orders have been issued on the third Recommendation of the Board Members viz that T.S.No 285/1A should be used for the construction of Police lines. No specific orders have been issued on the other recommendations of the Board Member. The main file on the

Subject is now pending in the Home Dept. In the circumstances the request of the Kasturba Medical College Trust for the allotment of T.S. No 280/1A1A3 may be negatived.

2. As regards T.S. No 1554/1A and 1554/2 and 3 of Kodialbail A village of Mangalore taluk the Collector himself has negatived the request of the College as the request was made to the Collector and not to the Govt. No action is therefore called for.

3. The file may be returned to HELA through Home and they may be requested to inform the College authorities suitably. (This Dept need take action only when any land is to be placed at the disposal of the College.

4. The Board Member who inspected the locality has recommended that the portion of S.No. 280/1A1A3 which has not been built upon and which remains vacant should be reserved for the construction of public buildings which will harmonise with the importance and surroundings of the locality. No specific orders have yet been issued on this recommendation. The vacant portion referred to above is now in charge of the Public Works Dept. The Home Dept. have been asked to state whether they have any proposal in their view to construct any buildings on it which will harmonise with the importance and surroundings of the locality and if not to relinquish the vacant land to this Dept. for considering the question of its disposal in accordance with the recommendation of the Board Member. They have not yet given any reply on this point. The question of giving the land to any other institution or Dept. will arise only if the Home Dept. say that they do not require it and then the question whether it may be given to the Kasturba Medical College Trust for the construction of College buildings or as to the best manner in which it should be disposed of, i.e.

This cannot be done without a proper examination of the question. Obtain necessary details.

The above requests have been examined in consultation with the Collector of South Kanara, the Board of Revenue, the Home Dept. and the Revenue Dept. The sketch on p.8 of G.O.No. 2166 Rev., dated 27-7-1953 indicates the relative position of some of the plots referred to above.

2. Item (1) in para 1 above: Plots comprised in T.S. Nos. 291/1 and 291/2-A of Attavar village in Mangalore town. -

In 1907, the land bearing R.S.No.291 (measuring 24.81 acres of Attavar village, in Mangalore town) was transferred to the control of the Municipal Council, Mangalore, subject to certain conditions. Subsequently the land was sub-divided into T.S.No. 291/1, 291/2-A and 291/2-B. T.S.No. 291/2.B was transferred to the Indian Meteorological Dept. for the construction of a rain gauge. In 1938, the Govt. sanctioned the alienation of S.No. 291/1 (extent 1.47 acres) to the Municipal Council, Mangalore, for the construction of a town hall. The Municipal Council has not so far constructed the town hall. Subsequently in Memo. No. 7425.E/52-3, Rev., dated 17-4-1952, the Govt. ratified the action of the Mangalore Municipal Council, in having constructed without permission a cricket pavilion and a latrine in T.S.No. 291/2A referred to above. They also directed, in G.O.(Ms.) No.2518 Rev., dated 9-9-1952, that the land bearing T.S. No. 291/1 mentioned above, be resumed and re-alienated in favour of the Municipal Council for use as the site of a public park and recreation ground. Formal orders in the matter have also been issued subsequently in G.O.(Ms.) No. 2166 Rev., dated 27-7-1953. The Collector now reports that the Mangalore Municipality has strongly objected to the request of the Kasturba Medical College Trust for the plots in T.S.No.

291/1 and 291/2A. The relevant resolution of the Mangalore Municipal Council is on p.47 c.f. One of the reasons adduced by the council in support of its contention is that there is a layout approved by the Director of Town Planning for the entire maidan whic the Council is implementing. It is submitted that th layout now approved can be modified by the D.T.P. hi -self in future, with the concurrence of the Municipality. As regards the other reasons put forward by the Municipality, attention is invited to 'A' on p.1 c.f. The Collector however is of the opinion that T.S.Nos. 291/1 and 291/2A are not available for being placed at the disposal of the Kasturba Medical College authorities. The Board agrees with the Collector. Revenue Dept. accept the views of the Collector and the Board of Revenue.

3. Item (2-a) in para 1 above: Land on whic temporary premises for the Training Colle have been put up at present.

The Collector reports that the site occupied by the Govt. Training College also is not available for the purpose. In this connection, it i submitted that the question of finding an alternativ site for this College is separately under considera-tion. This Dept. have however taken the view that, even if an alternative site is available, it may not be possible to construct the necessary buildings in the near future, in the present financial stringency Revenue Dept. agree with this Dept. that the questio of making this site available to the Kasturba Medical College need not be considered.

4. Item (2-b) in para 1 above: Police Hockey Ground adjoining the Govt. Training College.

In 1951, the Govt. sanctioned the transfe (2.59 acres) of this plot (T.S. No.280/1A1A3) to the Police Dept. for the construction of Police Lines and quarters for officers. Till the middle of 1952, two blocks of

eleven quarters each had been constructed, but further work was ordered to be suspended as there were objections to the construction of these quarters at the above site. In Memo. No.118657 Pol.-III/51-15, Home, dated 9-6-1952, the Govt. directed that the site in question should personally be visited by a Member of the Board of Revenue, when he went on tour to Mangalore so that he might assess fairly the points in dispute after a local inspection, effect a compromise and recommend a solution to Govt., in consultation with such local authorities as he might consider necessary. Accordingly, Sri W.R.S. Sathianathan inspected the site in September 1952 and recommended -

(1) that the two Police lines consisting of 22 huts already constructed in T.S.No. 280/1A1A3 might be allowed to be retained by the Police Dept.

(2) that the remaining vacant land in that T.S. No. might be reserved for the construction of public buildings which would harmonise with the importance and surroundings of the locality, and

3) that the Police Dept. might be allowed to construct Police lines on certain lands, ~~one~~ one of which is S.No. 285/1 A. With ref. to the second recommendation mentioned above, the Registrar of the Kasturba Medical College argues that the Medical College buildings at such a place in the heart of Mangalore town very near the Govt. Hospitals would be a source of beauty for that portion of the city. Orders have been issued in G.O.No. 4610 P.W., dated 11-12-1953 on the third recommendation mentioned above, viz., that T.S.No. 285/1A should be used for the construction of Police lines. Regarding the second recommendation

mentioned above, the I.G. of Police ~~has been~~ now consulted as to whether the remaining vacant land in T.S.No. 280/1A1A-3 of Attavar village, Mangalore town, excluding the portion on which two blocks of Police line huts have already been constructed, may be transferred to the Revenue Dept., if it is not required by the Police Dept. The I.G. of Police has since reported that in the absence of any other suitable ground, the remaining vacant land in T.S. No. 280/1A1A3 is absolutly necessary for the use of the Police Dept. as parade ground and that therefore it cannot be transferred to any other Dept. The report is now under consideration in the Home Dept. The Revenue Dept. also have stated that the Collector of South Kanara has subsequently reported that as T.S. No. 280/1A/1A3 is required by the various departments of the Govt., it may be reserved for the use of the Govt. Departments and that the Board of Rev. has also supported the Collector's proposal. The Rev. Dept. propose to accept the Board's recommendation and reserve this plot for the use of the Govt. departments.

5. Item (3) in para 1 above:
Land in T.S. No.1554/5-A and 1554/2 and 3 of Kodialbail A village of Mangalore taluk. -

The Collector himself has negatived the request for this plot. No action is called for in the matter now.

6. In the circumstances stated in paras 2 to 4 above, it is for consideration whether the authorities of the Kasturba Medical College may be informed that their requests for the lands in question cannot be complied with. Attention is invited in this connection to the minutes of M.(H.) on pp. 1, 6 and 11 ante. The case may be circulated to M.(H.)
